

On That Day  
Words and music by Richard Blauvelt

On that day we will come into the House of the Lord.  
We'll ascend God's Holy Mountain to the banner of the Lord.  
Ev'ry nation, tongue and people who are called by His name  
will rejoice in the presence of the Lord on that day.

On that day we will come into the House of the Lord.  
We'll ascend God's Holy Mountain to the banner of the Lord.  
Ev'ry nation, tongue and people who are called by His name  
will rejoice in the presence of the Lord on that day.

In the Achariyth Haya-amiym  
Olam Haba Yeshua's King

On that day I'll stand before You.  
Sing Your praises and adore You  
like the elders who have gathered round Your throne.  
Lord Your resting place is glorious  
and I'll enter in victorious  
through Your faithfulness and no works of my own.  
On that day

On that day we will see Him and will stand by His side.  
We'll be joined with Messiah as His pure spotless bride.  
Ev'ry tear, sin and weakness of the past washed away.  
We'll rejoice in the presence of the Lord on that day  
In the Achariyth Haya-amiym  
Olam Haba Yeshua's King

On that day I'll stand before You.  
Sing Your praises and adore You  
like the elders who have gathered round Your throne.  
Lord Your resting place is glorious  
and I'll enter in victorious  
through Your faithfulness and no works of my own.

Blessing, honor, glory and power  
to the One who is forever.  
All of heaven, all of earth now sing Your praise.  
Through the precious blood of Jesus  
God the Father has redeemed us  
now in New Jerusalem we bless Your name  
On that day

On that day we will come into the House of the Lord.  
We'll be gathered to Mount Zion to the banner of the Lord  
There we'll learn His commandments and will walk in His ways  
for His law and His spirit fill our hearts on that day.
