We Worship You (words and music by John Torres)

Chorus:

We worship You, with our voices.  
We worship You, with our praise.  
We worship You, Christ our Savior.  
Oh Lord, We worship You (x2).

Verse1

We enter in Your light.  
Your love surrounds us.  
You are beyond expression.  
You are beyond the words of this language.  
what gift can we bring?  
what song can we sing?

Chorus:

Verse2

Fill our minds with holiness.  
Fill our hearts with glory.  
Pour down on us like water.  
Pour down on us like rain in the springtime.  
Giving life to the soul.  
Making all of us whole.

Chorus:

Bridge:

Holy Holy Holy Spirit  
Holy Holy Holy Jesus  
Holy Holy Holy God  
We worship You.

Repeat Chorus and out
